## HELP WANTED

Have a look on page 2 of any issue of The Belgravian and you will see a long list of positions in the community league, and the volunteers who fill them. It takes a lot of hands (and brains) to keep our league running! And we are currently in need of a few more.

I think that the community league is a great volunteer gig. You are pitching in for your own family and neighbours. You work and become friends with a great group of fellow volunteers. You apply the skills you enjoy practicing or learn new skills. You use your volunteer time efficiently, because almost all the work takes place in the neighbourhood (no fighting the traffic to get to meetings!).

Please see the box below for a description of vacant (or soon to be vacant) positions. I look forward to hearing from you at [president@belgraviaedmonton.ca](mailto:president@belgraviaedmonton.ca) if you would like more information on these or other positions with the community league. Thank you!
