

Privacy Policy for Internet and E-mail for Belgravia Community League

This Online Privacy Statement applies to data collected by Belgravia Community League through its websites and e-mail.

Purchase of Community League Memberships

EFCL AT www.efcl.org provides community league memberships as a service to Edmonton community leagues. Community league boards have the right to refuse membership to any application. The online purchase of a membership does not guarantee membership in any league. Addresses of members will be verified and Belgravia Community League requires membership to home leagues before issuing associate memberships. Abuse of the ordering system and misrepresentation of home addresses in this purchase process could lead to abolition of online ordering privileges and/or membership to leagues and/or participation in activities that are benefits of community league membership. All fees collected are distributed to leagues. Any claims you have must be processed through the leagues. Administrative handling charges are non-refundable.

Collection of Your Personal Information

Belgravia Community League is committed to protecting your privacy. The league uses personal information only for the specific purpose for which it was originally collected and will not loan, distribute or sell the personal information it collects to any other party except where EFCL requires such information for its requirements.

We occasionally hire other companies to provide limited services on our behalf, such as handling the processing and delivery of mailings, providing customer support, hosting websites, processing transactions, or performing statistical analysis of our services. We may access or disclose information about you, including the content of your communications, in order to: (a) comply with the law or respond to lawful requests or legal process; (b) protect the rights or property of Belgravia Community League or our customers, including the enforcement of our agreements or policies governing your use of the services; or (c) act on a good faith belief that such access or disclosure is necessary to protect the personal safety of Belgravia Community League employees or the public.
