Get Involved

Established in 1954, Belgravia Community League (BCL) owns and operates the Hall and rink, built the playgrounds by the school, and developed and maintains the Arts Park – all on land leased from the City. BCL offers many programs and activities and is crucial for representing our neighbourhood interests to City Council on transportation, development and other issues. Support your community by buying a membership and volunteering. We have fine facilities, solid finances and fun programs. You'll be delighted by the great people you'll meet while helping out your community.

BECOME A MEMBER

Belgravia Community League Membership benefits include:

- BCL Hall rental privileges, including Hall Wifi access

THE BCL IS HIRING A PART-TIME HALL MANAGER

To relieve pressure on some of our key volunteers, the BCL Board of Directors has decided to hire a part-time Hall Manager. This was a difficult decision for the Board, because for many years our league has been able to rely exclusively on volunteers to operate our hall. However, for the past 3 years we have not been able to recruit new volunteers for the positions of facilities director and hall rental coordinator. In fact, our hall rental coordinator has been in this demanding position since our renovated hall opened in 2016. The part-time Hall Manager will assume some of the responsibilities of these 2 positions, making the volunteer positions less demanding and hopefully more attractive to future volunteers. The BCL has sufficient revenue to support the position on an ongoing basis.

Job description: the Hall Manager will work approximately 10 to 15 hours per week. Hourly wage to be determined. Reports to the BCL Director of Facilities.

Key responsibilities include:

- Serve as point of contact for individuals and organizations wanting to rent the community league hall. Explain rates, policies (e.g. current BCL membership is required to rent hall) and procedures. Write up Hall Rental Contract. Once signed contract and rental fee are received, arrange with director of facilities for keypad code to access hall. Orient renter to hall space and supplies. Check cleanliness and condition of hall after rentals.
- Manage the hall security system, including key fobs and electronic access to renters.
- Arrange hall access for contractors responsible for cleaning, furnace maintenance, repairs, etc.
- Monitor hall interior and grounds for maintenance issues and report issues to director of facilities and/or contractors.

Potential applicants for the position can contact Michael Cohen at president@belgraviaedmonton.ca

VOLUNTEER OPPORTUNITIES WITH BCL

Please consider joining the BCL's team of volunteers. It's a great way to meet new friends and contribute to our community. We have current or pending openings for the following volunteer positions:

Director of Planning and Place: Represents the BCL in interactions with the City of Edmonton and developers on issues of development and traffic, and keeps residents informed. Jerreck did a wonderful job with this role the past few years, followed by Don who is now ready to pass it on. It's a good match for someone who is interested in civic affairs and the way Edmonton and Belgravia will develop.

Vice President: The VP assists the President and Board of the BCL in diverse tasks, and is free to work on projects of personal interest. The VP generally becomes President after a two-year term, although this is not essential.

Diversity Coordinator: The BCL's 2021 strategic plan has goals to increase the diversity of our membership, Board, and programming. The Diversity Coordinator is a new volunteer position to help guide and implement these goals.

NEIGHBOURHOOD SAFETY UPDATE

by Richard Law, Belgravia Watch

1. Thefts from garages are still a problem; thieves are looking for any weakness in your garage door.
2. Thefts from vehicles may still be occurring; a neighbour on Saskatchewan Drive recently had their garage broken into. The thieves may have accessed the garage opener in the vehicle.
3. Four neighbours in my block have reported thefts of deliveries off of their porches. Be aware; set up an alternate delivery if you are not home.
4. Nuisance neighbours: a Belgravia home set for demolition may have been taken over by squatters. Numerous inhabitants, shopping carts, debris etc.... all indications that there may be an issue. So keep note of any homes set for infill demolition. We have seen this type of behaviour before. Use our non-emergency phone line (780-423-4567) or call 311. The more calls there are, the more likely the City will pay attention to the property.
5. Coyotes: there was a report of a coyote taking a cat in McKernan this spring. Another neighbour was followed home by 4 coyotes one evening as they tracked her and her dog. The pack of 4 has been seen in the neighbourhood along Saskatchewan Drive during lunch hours since then.
6. [This EPS map](#) (past 3 months) gives some indication of reported crime events in Belgravia:

What you can do: Talk to your neighbours and be on the alert. Lock your cars, harden your locks on your garages. Report everything you see to:

- Urgent calls (includes suspicious activities): 911
- Concerns/complaints (non-emergency): 780-423-4567

BELGRAVIA RINK RENEWAL PROJECT UPDATE

by Tom Hinch

Project overview

The purpose of this project is to replace the BCL's outdoor rink (which is reaching the end of its life cycle) with a new rink that will serve as a sustainable year-round activity area for Belgravia.

Process

The 5-phase redevelopment process was initiated in 2022 and is anticipated to take 2 to 3 more years. It is being coordinated by a project team of 4 community volunteers, which reports to the BCL Board. The Board makes decisions on how to proceed at the conclusion of each phase, subject to City approval. Community engagement is a critical part of this process.

Strategy Phase Summary

This phase set the underlying strategy for the project. A report was submitted to the BCL Board based on the results of a community survey, the experience of other communities with similar projects, and additional research. The BCL Board approved the strategy subject to financial resources and on-going assessment. Read: [BCL Rink Survey – What we Heard report](#) (p. 8, Dec. 2022 newsletter)

Where we are: Concept Phase (2023)

The Project Team has extended its review of the rink renewal project based on concerns raised by the immediate neighbours of the rink and inflationary trends impacting the projected costs. We will be meeting with BCL Board in June to discuss these issues and further refine the rink renewal concept. This concept will then be presented to the broader community at an Open House planned for fall 2023. A BCL Board decision on the project will be made following this event. Stay tuned for further announcements.

As always, the Project Team invites your comments and input. Let us know if you would like to sit on this committee. We are particularly keen on connecting with community members who would like to be involved in fundraising.

On-going Input

Community members who have questions about the project or who would like to become more directly involved are encouraged to contact us at: rinkrenewal@belgraviaedmonton.ca

BELGRAVIA COOPERATIVE PLAYSCHOOL IS CLOSING

by Michael Cohen

After many successful decades, there will be no cooperative playschool running at the BCL Hall for the 2023-24 school year. The playschool, a morning program for 3- and 4-year-olds, has had low enrolment for several years. Whereas the program had 20 to 25 children from 2012 to 2019, it had only 5 to 10 over the last 4 years. Despite the dedicated efforts of the families of current playschool children and of the program's longstanding teacher, Monika Fouad, it was apparent that there would not be enough children enrolled in the fall 2023 for a playschool that would be financially self-sufficient.

Closing the playschool was a difficult decision for the Board and for families with children in the program. The decision was made after extensive outreach and research. Over the past years, the families of children currently in the playschool program worked hard to recruit more children to the program. A key priority of the current [BCL Strategic Plan](#), adopted by the board in 2021, was a review of the playschool program. In 2022 this priority was broadened to become a review of early childhood programming and the board formed an *ad hoc* Early Childhood Program Review (ECPR) Committee.

The ECPR Committee's mandate was to create a plan for community consultation and to deliver a report with recommendations (see below after the break). The Committee was supported in this task by consultant Nancy Hunt. Nancy conducted a survey of families with young children in Belgravia, which generated 27 responses (approximately half of all families with young children). Two of the most important questions were why some families were not enrolling their children in Belgravia Cooperative Playschool, and what kinds of early childhood programming families would like to see offered by the community league. Nancy found that the playschool's longstanding model, which ran from 9 to 11:30 am, 2 or 3 days per week, and required that parents provide occasional volunteer shifts, was no longer compatible with the needs of many families. Instead, many parents expressed a preference for all-day programming without volunteer commitments, such as that offered by the daycares that some currently utilize.

Parents expressed interest in numerous possible early childhood programs that would complement daycare – such as drop-in playgroups, fine arts (music, art, dance), outdoor activities, and fitness/sports. The Board hopes to introduce some of these programs over the coming year. The Board also plans to host a celebration of Belgravia Cooperative Playschool in the fall. If you would like to assist with programming or the celebration, or have questions about the playschool closing, contact: programs@belgraviaedmonton.ca

RECOMMENDATIONS OF THE ECPR COMMITTEE

In 2022, the board formed the Early Childhood Program Review (ECPR) Committee to consult on and research the following:

- What type of programming is most needed and beneficial for early-childhood children and their families in Belgravia?
- What early childhood programs might the BCL provide and continue stewardship of, given its volunteer, financial, and facility resources, with best benefit for Belgravia families and BCL members?

(continued on next page...)

RECOMMENDATIONS OF THE ECPR COMMITTEE (CONTINUED)

The ECPR Committee presented a final report to the BCL Board at its March 16, 2023 meeting. The report, drawing on the ECPR study survey results, outlines key considerations and makes four recommendations:

Key consideration 1 – BCL mission and stewardship of resources

Recommendation: That the BCL Board develop a clear rationale and means to review, monitor, and evaluate current and new program offerings to ensure programming aligns with its mission and good stewardship of resources, including a “greatest benefit to greatest number” principle.

Key Consideration 2 – The ECPR study survey indicates opportunities for additional, alternate or expanded programming for members with pre-school children

Recommendation: That BCL Board pilot additional social and recreational pre-school family program options in response to the ECPR Survey.

Key Consideration 3 – The study survey indicates the likelihood of reduced demand for part-time playschool program given the emerging demographic profile in Belgravia

Recommendation: That the BCL consider neighbourhood demographics among other factors in the development of any early childhood programming and liaison with neighbouring programs to address constraints, opportunities.

Key Consideration 4 – Prior and current issues of Belgravia Cooperative Playschool (BCP) succession, and program obligations to BCL

Recommendation: That the BCL board update the BCP (and for any successor playschool or ongoing-in-BCL facility program) Terms of Reference to include more extensive financial and organizational planning.

Next steps: In receiving these recommendations, the BCL Board decided to form a working group to further consider options and develop an implementation plan.

THE CUBA BLOODHOUND.

CANNABIS TOXICITY IN DOGS

Small amounts of cannabis are highly toxic to dogs as they have far more cannabinoid receptors in their brains than humans. A neighbour reports they recently had to bring their puppy to the vet due to marijuana toxicity. Unbeknownst to his owners, the puppy ingested something at the Belgravia dog park. The vet said he sees one of these cases *per day*. In chatting with others at the dog park, the puppy’s owners found they too have had very sick dogs that needed emergency treatment for the same reason. The puppy has since made a full recovery.

MUSIC IN THE ARTS PARK V2

Wednesday, August 9, 2023 – 6:30–9 pm

Last year's inaugural *Music in the Arts Park* was such a big hit that we've lined up the second edition for August. Save the date for this free event you won't want to miss! For the main act, we've booked the amazing *Stevon and Kayla Artis with the Heavenly Band*. A married couple with a young baby, Stevon and Kayla are on their way to super stardom. Raised in Hawaii, Stevon comes from a large musical family of 11 children – his brother Thunderstorm was a finalist on the Voice. Their dad Ron played with Michael Jackson on the Thriller video soundtrack. Kayla grew up in Edmonton and has strong music ties through the Kimo Family Band. Listen to Stevon and Kayla online: [stevonkaylamusic.com](https://www.stevonkaylamusic.com)

Belgravia musician Marty Pawlina will be the opening act. Some of you had the pleasure of attending Marty's Family Day performance at the BCL Hall. Browse a sample of Marty's music at open.spotify.com/artist/1CZPOMCESuRBvADevFDNur

Our industrious young Belgravians will be providing refreshments for a small cost to support their fundraising cause.

Thank-you to the City of Edmonton for making this all possible. See you on Aug 9 in the Arts Park!

Popular songwriter, recording artist and storyteller, Marty Pawlina

Stevon and Kayla Artis, multi-instrumentalists and songwriting duo extraordinaire
